Curricular Aspects

Particular	Plan of Action
Certificate course/add on Course/Value Added Course	1. Complete one Certificate course/add on Course/Value Added Course of minimum 32 hours enrolling maximum students separately for UG and PG programs (January - April 2024)
Teaching Plan	1. Prepare the annual teaching plan and submit to the IQAC. 2. Maintain the record of dept. meetings.
Field Work/Study Tour	Conduct at least one Field Work Project/Study Tour of your students with maximum participation. Prepare the Reports with all requisite documents(January - April 2024)
Feedback	Collect the feedback of students on syllabus of your subject and submit analysis of feedback to concern BoS through IQAC and Principal.

Teaching, Learning and Evaluation

Particular	Plan of Action
ICT Based Teaching, Learning	1. Use various ICT tools/infrastructure in regular teaching, learning process. 2. Maintain the record of ICT tools used.
Remedial and Bridge Course	Conduct the Remedial/Bridge course for students of your subject and maintain the corresponding records like student list, attendance, course syllabus, test/assignments etc. (July-Dec. 2023)
Student Mentoring	1. Make the Whatsaap group of mentee allotted to your dept. 2. Conduct the mentoring session of mentee and maintain the records like attendance, issued discussed and resolved etc. 3. Submit the progress report of the mentoring to the IQAC.
Contineous Internal Evaluation (CIE)	Conduct the internal examination including seminar, test/tutorial/assignment for UG students as per university curriculum with proper notice, question papers, mark list etc. Maintain the record of the same.
Learning Outcome	1. Display and communicate the POs and COs of your subject to your students. 2. Maintain the record of attainment of POs and COs of your subject. 3. Submit the result analysis (Paper wise) of last year examination to the IQAC.

Research, Innovation and Extension

Particular	Plan of Action
Research Project	<ol style="list-style-type: none"> 1. Submit the proposal for research grants to various funding agency like UGC, DST, ICSSR etc. through IQAC and Research Development Cell. 2. Maintain the record of research project work done with your students.
Workshop/Seminar/Conference	Organize at least one State/National/International level Workshop/Seminar/Conference of your subject including Research Methodology/IPR/Entrepreneurship (January - April 2024)
Innovation Ecosystem	<ol style="list-style-type: none"> 1. Promote your students to participate in various research level activities like AVISHKAR competition, Quiz competitions and Academic competitions. 2. Maintain the record of student participated and prizes won by them.
Research Publication	<ol style="list-style-type: none"> 1. Publish at least three research papers in UGC CARE /SCOPUS/ELSEWHERE journal. 2. Publish a book /chapter in book with ISSN/ISBN
Extension Activity	Organize at least TWO extension activity of your subject with maximum participation of your students and maintain the record of the same. (January - April 2024)
MoU's/Collaboration/Linkage	<ol style="list-style-type: none"> 1. Sign MoU/collaboration/Linkage with State/National level organization/Institution of your subject. 2. Organize at least TWO activity under MoU/collaboration/Linkage made with other organization/Institution. 3. Continue MoU/collaboration/Linkage already signed and organize the events with them.

Infrastructure and Learning Outcomes

Particular	Plan of Action
Library	<ol style="list-style-type: none">1. Visit the central library regularly and give requirements of books of your subject as per new syllabus.2. Maintain the facility of Dept. library for your students and keep the record.3. Provide the facility of e-books repository to your students and maintain the record.
Online Learning Resources	<ol style="list-style-type: none">1. Motivate your students to learn the courses available on online platforms like MOOC,SWAYAM,NPTEL etc.2. Maintain the record of the same.

Governance, Leadership and Management

Particular	Plan of Action
Participation in FDP/Training Program	Participate in various faculty development program/training program/CAS program and maintain the record of the same.

Institutional Values and Best Practices

Particular	Plan of Action
Best Practice	Initiate the innovative Best Practice for students of your faculty and maintain the record.

Student Support and Progression

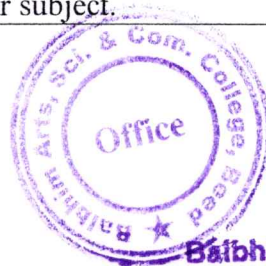

Particular	Plan of Action
Student Capability Enhancement Activity	<ol style="list-style-type: none"> 1. Organize at least FOUR student capability enhancement activity including Soft Skill, Language and Communication Skill, Life skill(Yoga, Physical Fitness, Health & Hygiene) , ICT/Computing skill. 2. Maintain the record of each activity as per the guidelines if IQAC.(Two in Each Semester)
Career Guidance Program	Organize at least one career guidance program for your students of UG/PG with maximum participation and maintain the record. (July-Dec. 2023)
Student Progression	Maintain the record of student progression of your subject as per the format provided by IQAC.
Student Placement	Maintain the record of student who have got job/placement from your subject and collect the relevant document form them.
Qualification in Competitive Examinations	Maintain the record of student who have qualified competitive examination like SET/NET/GATE/GRE/TOFEL/MPSC/UPSC/CIVIL SERVICES/Any other Government Exam from your subject and collect the relevant document from them.
Awards/Prizes won by student	<ol style="list-style-type: none"> 1. Maintain the record of the students of your dept. who have won the prize/award in any competition (Cultural/Academic/Sports). 2. Collect the certificate from them.
Student Participation	<ol style="list-style-type: none"> 1. Motivate your students to participate in various Cultural/Academic/Sports competitions. 2. Collect the certificate of participation from them. 3. Prepare the report of event/activity organized from your dept. as per the format provided by IQAC.
Alumni Engagement	<ol style="list-style-type: none"> 1. Organize at least one meeting of your departmental alumni and maintain the record. 2. Organize the at least Two guest lectures of your prominent alumni for UG/PG students. 3. Promote your alumni for donation to registered college alumni association.
Student Club	<ol style="list-style-type: none"> 1. Make student club of your faculty and organize various events/activity under that student club. 2. Organize at least TWO guest lectures for UG/PG students of your subject.

Subject:- For getting permission to run certificate course in department of physics.

Respected sir,

With reference to above cited subject, dept. of physics is going to run certificate course in medical physics for M.Sc. II year from 1 Feb 2024 for 30 days. Kindly allow to conduct this course and sanction expenditure for the same.

Thank you.

Yours faithfully,

Certificate Course in Medical Physics

Academic Year 2023-24

Syllabus: Module 1: Basic Medical Equipment*

Thermometers, Types: Clinical Thermometer, Optical Thermometer, Infrared Thermometer, Thermal Gun, Laser Thermometer, Applications in healthcare, Glucometer, Working principle and types, Application in diabetes management, Pulse Oximeter, Working principle, oxygen saturation measurement, Clinical significance in respiratory and cardiovascular conditions, ECG Machine (Electrocardiogram), Principles of ECG, Leads, signal acquisition, and clinical interpretation, Stethoscope, Basic anatomy and functions, Use in auscultation, Weighing Machine, Mechanism and importance in clinical settings, Reflex Hammer, Importance in neurological examination.

Module 2: Radiography and Imaging Systems

X-Ray Machines, Principles of X-rays, X-ray production and attenuation, Clinical applications: diagnostic radiology, Safety protocols in X-ray imaging, Computed Tomography (CT), Principles of CT, CT imaging system (gantry, detectors, etc.), Image acquisition and reconstruction, Image processing and enhancement, Advanced Topics: Multislice CT, Cone-Beam CT, Safety considerations (radiation dose management), Clinical applications (diagnosis, oncology, trauma), Magnetic Resonance Imaging (MRI), Introduction to MRI: Basic principles (magnetic fields, radiofrequency pulses), Techniques for MR image acquisition and reconstruction, Functional MRI (fMRI) and Diffusion MRI (DTI), MRI safety protocols (magnetic field and contrast agents), Clinical applications in neurology, musculoskeletal, and cardiovascular systems, Advanced Topics: MRI in radiotherapy planning and intraoperative imaging

Module 3: Ultrasound Imaging (US)

Introduction to Ultrasound, Principle of ultrasonic waves and their interaction with tissues, Transducers, Construction and working principle, Types of transducers (linear, convex, phased

array), Selection criteria for medical applications, Contrast-enhanced ultrasound (CEUS), Ultrasound in Radiotherapy, Image-guided radiation therapy (IGRT), Real-time imaging during treatment.

Learning Resources:

1. F. M. Khan, The Physics of Radiation therapy, 3rd Edition, Lippincott Williams & Wilkins, Philadelphia, 2003
2. Radiation Physics in Radiology, Oliver R., Blackwell Science Ltd; 1st Edition (1966).
3. Radiation Physics for Medical Physicists, E. B. Podgarsak, Springer Verlag, 1st Edition (1996).
4. The essential physics of medical imaging, Bushberg, S.T., Seibert, J.A, Leidholt, E.M. & Boone, J.M., Baltimore: Williams & Wilkins 1st Edition (1990).

INVITATION

Dear sir/madam

It gives us immense pleasure to invite to participate in a One Day National Conference on Modern Trend's in Physical Science Research to be held on 20th January 2024 organized by Department of Physics Balbhim Arts, Science and Commerce College, Beed. We anticipate your valuable co-operation and innovative contribution to the Conference. Please send abstract or Research paper related to the following sub-themes.

All selected papers will be published in the special issue of Peer-reviewed and refereed scholarly open access scientific research journal. "International Journal of Scientific Research in Science and Technology" (<https://ijsrst.com/>)

SUB - THEMES

- Nanomaterials, Properties and Characterization
- Thin film technology.
- Energy storage and conversion devices.
- Semiconductor Materials
- Ceramic and polymers
- Nano-structured Biomaterials
- Astrophysics Observation, Instrumentation, and Experiment
- Crystal growth and techniques.
- Remote sensing.
- Acoustic and ultrasonic.
- Sensors Technology.
- Dielectric Materials and It's Properties
- Nuclear Materials
- Photocatalysis.

OBJECTIVE'S OF CONFERENCE

The main objective of the conference (MTPSR-2024) is to provide common platform for scientist, teachers, students, industrialist and research scholars to exchange knowledge and ground breaking findings in the field of physical science. Development in Science and Technology leads the accuracy and efficiency of scientific instruments, and with the help of such tools we are getting amazing results in the field of physical science, to explore such ideas within our community, we are going to organize this conference.

ABOUT DEPARTMENT

Department of Physics was established in the beginning of this college in June 1960. Department has well equipped and well furnished laboratories for the students. All the faculty members are well qualified and committed to provide high quality education to the students. With this all the faculty members are doing research actively. We offer UG and PG programs for highly motivated students looking to pursue a carrier in Physics.

ABOUT INSTITUTION

Marathwada Shikshan Prasarak Mandal is one of the prominent educational institutions in the state of Maharashtra. Being founded in 1959 by the great visionary educationist, the late Shri Vinayakraoji Patil and his associates, the mandal celebrated its GOLDEN JUBILEE in the academic year 2008-2009 and Balbhim College also celebrated its GOLDEN JUBILEE in the academic year 2009-2010. At present, the educational network of our institution has spread in five districts of Marathwada. The institution runs courses in the agriculture, commerce, arts, education, science, engineering, law, pharmacy, primary and secondary schools, junior and senior colleges. It is the recipient of BEST EDUCATIONAL INSTITUTION AWARD given by the Government of Maharashtra in 2001.

ABOUT COLLEGE

Balbhim Arts, Scienc and Commerce College was inaugurated in 1960 by the esteemed hands of late Shri Yashwantraoji Chavan, Chief-Minister of Maharashtra. It has been started with a noble aim "Tamsa Ma Jyotirgamaya (Journey from Darkness to Light, Non-Realization to Realization, Avidya to Vidya) for imparting higher education to the student belonging to educationally and economically weaker sections and backward classes in the region of Marathwada. U.G.C. has honored our college as the 'College with Potential for Excellence' Our college has got A⁺ grade with CGPA 3.44 in 4th cycle of NAAC reaccreditation process. It is a premier college for traditional as well as new age need based courses such as Computer Science, Information Technology, Business Administration etc. Thousands of students of this college are getting benefits of these courses.

ABOUT BEED

Beed is the District head-quarter in the Marathwada region of Maharashtra State and is well connected with all major cities of Maharashtra, Mumbai (400 km), Pune(300km), Nanded(200km), Ahmednagar (150km), Chh.Sambhajinagar (135km). This historical city is situated on the bank of the Bindusara river. Many of the historical temples and holy places such as, Papneshwar, Kankaleshwar, Khandeshwari khandoba temple, Shahenshwali darga, Khajana bawdi, Bindusara Project, Yuva Shantivan etc. are present. Kapildhar and Sautada are famous for a Natural water fall in Balaghat range about 18 km. south and 40 km. west of Beed city respectively. The kankaleshwar temple is most beautiful and perhaps the oldest monument in the city. The historic and famous well called 'Khajana Bawadi' is situated about 6 km south of the city.
